Dr.coffee C12

C12 is a fully automatic coffee machine for small office space, offering consistent performance and professional quality. Enjoy a barista quality coffee at work, any time.

Butler service

Save up to 15 customized beverages x 8 menus. Two optional UIs. Your efficient coffee butler just one click away.

Hassle-free

Fully automatic cleaning system that runs on schedule. Auto-triggered cleaning routine to free you up for an easy, pleasant life.

Authentic quality

Highly consistent 19bar espresso extraction. 15 professional recipes. 9-grade ceramic grinder. Patent 16g brewing system. A tested solution that presents master quality coffee.

Classic style

Simplistic, but not simple. Classic, and a chic. Decent laser engraved satin texture. 7 inch smart display. Smudge-proof, low-maintenance finishing.
